

ATTENTION ALL PARENTS/CARERS*-

In term 5 we would like to create a **photo display** titled "Our Easter holidays"

We create displays to work towards a more inclusive environment promoting partnership with parents to support the early year's experiences of the children. We hope this display will promote lots of discussions about families and the activities children like to do outside our playgroup setting, which we are then able to incorporate into our planning.

We would like to kindly ask for your assistance to create this. **Please could you send in a photo of your child enjoying their Easter holidays, (this could be at your home, at a family members home or anywhere out and about,** or perhaps your child would like to draw a picture.

This term during the sessions we will be looking at a different theme every week, we will be doing some small group focus activities with the children who will be transitioning to school this year around these themes every week. Please help your child find a **SMALL picture or item** of something relating to the theme to show during the session (please can we ask that only one picture or item is brought in per session). Below is a list of the themes and when we will be looking at them:

Date (Week commencing)	Theme	
20/4/26	Spring	
27/4/26	Animals	
4/5/26	People who help us	
11/5/26	Weather	
18/5/26	Healthy eating	

To help support these activities at home we would like to make the following suggestions:

- Look at pictures and talk about where you see them.
- If the letter **sound** occurs in your child's name ask them to find it.
- Support your child in linking the initial letter of any objects they find to the appropriate letter sound.

Most importantly Have fun!!!!

A BIG thank you from
Your Playgroup Staff
